Aloha,

**Most of the time zoom works like a charm, flawlessly. If this is the case for you stop reading here.**

But there are 1 million things that can go wrong. If you are among the unlucky ones, here are some videos that help. It may fix a lot of the possible issues before you join the next service. Please watch all the videos first, before you ask for help.

## **JOINING WITH A MOBILE DEVICE**

If you want to join a zoom meeting on a mobile device, you **must** download the app: 'Zoom cloud meetings' from the app store (iPad/iPhone) or your google play store. **This is not optional, but a zoom per-requisit.** Please watch the video and install the app first, so you can join a service with zoom.

## **JOIN A SERVICE ON ZOOM**

To join a zoom meeting, please watch both of the videos first. Most of the problems we had were people not being able to hear or other issues that are related to the set up in their device they are using.

**Joining & Configuring Audio & Video (2 minutes)** (this looks different in an iPad, there it is on top of the screen)
